Cub Scout Pack 809 Dues Policy  
Adopted October 27, 2010

Each year, prior to September 1<sup>st</sup>, the Pack Committee will establish the amount that will be charged for annual dues. Dues will cover the program year between September 1 and August 31 and includes the cost for rechartering, which runs from January 1<sup>st</sup> through December 31 of each year. All scouts will be expected to pay dues in full by the deadline established by the pack treasurer unless other arrangements have been made.

For any new scouts that join Pack 809, the following fee schedule will apply:  
Scouts joining September 1 through December 31, 100% of dues plus a \$10 Application Fee  
Scouts joining January 1 through March 31, 75% of dues plus a \$10 Application Fee  
Scouts joining April 1 through August 31, 50% of dues plus a \$10 Application Fee

The application fee is intended to offset the cost of partial year council registration charged by council on a per month basis. The pro rated amount of dues is intended to be offset the portion of the scout year programming that the individual scout will be entitled to.
