Why not earn a belt loop?

VIDEO GAMES

Requirements for the Video Games Belt Loop

Complete these three requirements:

1. Explain why it is important to have a rating system for video games. Check your video games to be sure they are right for your age.
2. With an adult, create a schedule for you to do things that includes your chores, homework, and video gaming. Do your best to follow this schedule.
3. Learn to play a new video game that is approved by your parent, guardian, or teacher.

Family movie night - Friday

April 9

6:30 pm Fellowship Chapel

A fun family comedy about a scout's Pinewood Derby race that turns an average group of dads into an awkward bunch of competitors.

Dust off your camping gear, check that air mattress for holes. The Family Campout is in the planning for June 11 — June 13. Location is still TBD. This tent camping experience is one you don't want to miss!
