November Service Project

Thank you to all our scouts and families for providing your portion of the Thanksgiving food baskets for those in need in our community.

We have successfully collected enough food items to make complete Thanksgiving Dinners for six local families.

BELT LOOP OF THE MONTH

Mathematics

Requirements for the Mathematics Belt Loop

Complete these three requirements:

1. Do five activities within your home or school that require the use of mathematics. Explain to your den how you used everyday math.
2. Keep track of the money you earn and spend for three weeks.
3. Measure five items using both metric and non-metric measures. Find out about the history of the metric system of measurement

**JOIN
Us at the
December
Pack Meeting.**

**Scouts and siblings
will be asked to bring in items
to create care packages for our solders
over seas. We will celebrate by writing letters,
packing the care packages for the solders, and a
visit from a special guest from the North Pole. Be
prepared, this meeting will
last longer
than usual**

The Pack is planning to reserve time at Broad Creek Scout Reservation this summer for session 6 - July 17-19. This is a parent / scout camping activity.

Congratulations to our new Bobcat Scouts
